

Stroma Group free breakfast seminar

Meet our experts in Environmental Sustainability and Building Regulations Compliance

Building Regulations Part B Fire Safety update
Air Quality Legislation within the Planning Regime

Join the Stroma Group at a unique event, exploring our work in the North West and discover how we can support your next project throughout the RIBA framework. Meet the teams from Stroma Building Control and Stroma Built Environment and discover the potential of our Group.

- ✓ De-risk your project at an early stage
- ✓ Partner with environmental consultancy experts
- ✓ Engage a sole provider of construction consultancy services to maximise efficiency and reduce costs

Gain free CPD credits

We've designed an engaging seminar programme for the event:

1. Building Regulations Part B Fire Safety update post Grenfell
2. Air Quality within the Planning Regime

We hope to see you there!

Date: Thursday 28th March 2019
Time: 08:00am – 11:00am
Venue: Lancashire County Cricket Club, Talbot Road, Manchester, M16 0PX

Register your place by signing up at www.stroma.com/manchester-cpd
